- [SECURITY NOTICE] Administrative Security & Authentication Protocol:
- 1. **Zero Public Registration:** Public registration for admin roles is permanently disabled to prevent unauthorized fleet interference.
 - 2. **Two-Factor Gatekeeper:** Authentication requires both an authorized **Admin ID / Badge** and matching **10-digit registered mobile phone**.
 - 3. **Dynamic OTP Verification:** A 6-digit one-time passcode is issued in real-time. Unauthorized credentials trigger immediate access denial.
